Whether you are recovering from an injury or surgery or adjusting to the limitations of growing older, Home Care Medical has many Daily Living Aids, Occupational Therapy (OT) and Physical Therapy (PT) products available to increase your safety and independence in your home. From Mobility Aids such as crutches, canes and rolling walkers to Dressing Aids like reachers, sock aids and zipper pulls, Home Care Medical’s Personal Care Consultants can recommend the products that suit your medical needs, lifestyle, home environment and budget. Our goal is to help you feel more independent, safe and comfortable in your home.

We invite you to stop by one of our three retail stores in Milwaukee, Sheboygan and West Bend, visit our website at www.homecaremedical.com, or call us at 262.786.9870 for more information. Home Care Medical . . . helping you get on with life!
